

Appropriation of Internet.

Due to the misuse of the Internet for pathological self-presentation, illegal surveillance, deception and brainwashing, I appropriate the entire Internet including all technical means necessary for its realization. All domain holders, technical operators and webmasters are requested to allow me access to their sites without any limitation on my first request. In case of refusal to follow my commandments the holdouts will be prosecuted.

A handwritten signature in black ink that reads "Andrej Poleev". The signature is written in a cursive, slightly slanted style.

Dr. Andrej Poleev

Berlin, 9. September 2019.
